## PUBLIC INFORMATION MEETING

Dear Current Resident:

Measure E was passed by Irvine voters in June 2016 to ensure all Irvine Unified School District students; not just those in newer neighborhoods, have access to modern learning environments and technology to support IUSD's high academic standards and to prepare students for 21<sup>st</sup> century college and career opportunities. Measure E will provide a maximum available bond issuance of \$319 million for facilities improvements at 28 of the District's aging schools.

In Series 1 of the Measure E Improvements, the District has identified Creekside High School to receive a new Fitness Lab, Science Lab, Construction Technology classroom, and the conversion of two (2) existing classrooms into a Multi-Media Lab, as well as corresponding site work related to the new buildings.

All interested persons are invited to attend a public information meeting, which will provide information on the work proposed for Creekside High School. IUSD representatives will be available to answer questions. This meeting will begin promptly at 6:00 p.m. on Wednesday, February 28, 2018. If you are unable to attend but would like to submit comments you may do so by sending them to:

Donna Jordan, (949) 936-5306
